All dimensions are approximate and all floor plans and development plans are subject to change by the developer without notice. Stated dimensions are measured to the exterior boundaries of the exterior walls and the centerline of interior demising walls and in fact vary from the dimensions that would be determined by using the description and definition of the "Unit" set forth in the Declaration (which generally only includes the interior airspace between the perimeter walls and excludes interior structural components).	l nterior Terrace Total area	2,825 sq ft 638 sq ft 3,463 sq ft	262.5 m ² 59.3 m ² 321.8 m ²	305-350-9842	WWW.900BiscayneBayCondos.com
